From the President's Device...

I'm delighted to welcome you to our first fully integrated online newsletter.

As I thought about putting pen to paper, I realised just how much IT has changed society and the world in recent years. Until last year when I was wedding planning, I didn't know that the updated Microsoft Excel incorporated filters, which made organising seating arrangements a piece of cake! I also found out this year, that many job applications and CVs are read by 'bots' ie robots and may never be seen by a human eye. And how many of us have now come to the slow realisation that the future is no longer 'Orange' as the old mobile network advert asserted but actually 'digital and AI (Artificial Intelligence)'?

With these developments in mind, I thought it would be appropriate to write this welcome address as coming from 'the President's device', in this instance, my iPad. This is not only a nod to these technological advances and this first 'online' edition but also an indication that the Executive is aware that these technological advances do or will impact all of our lives and, potentially the lives of pupils of St Anne's School, Molete, Ibadan in one way or the other.

Whether we're talking Artificial Intelligence, careers, finance, health or parenting, or whether we're simply having a discussion about improving our mental well-being through pursuits such as music, gardening, art galleries or museums, our goal is for the Association to be as relevant as possible for every member and every pupil in some way or the other.

We are grateful for the efforts and accomplishments of our predecessors, and in the ethos of the school song, hope to build for good, and to pass on 'treasures of beauty, of thought, and of skill'.

In the coming weeks and months, we will update you more fully on our vision and priorities for our tenure. We know that a number of us are keen to celebrate the 150th anniversary of the school, and we will be looking into practical and meaningful ways in which we can do this.

The Association usually holds a barbecue in August but the Executive has made the decision to give it a miss this year due to the short time available to properly organise this. Hopefully, the SASOGA UK BBQ will be up and running again from next year.

In the meantime, we hope to see as many of us participating in various events at the NSF sports day this year and wish you all a safe and enjoyable summer.

Thank you for the vote of confidence in us and God bless you!

Abimbola Agbaje-Williams
President

Celebrations

Happy birthday and many happy returns to our July and August babies

Toke Okuyedi Benson
 Kemi Ore Olaloku
 Joyin Odelusi Ayeni
 Joke Moore Ojugbele
 Foluke Ojedeji Oyinlola

Funke Oloniyo Odunsi
 Bisi Kuforiji Adegbite

**For any queries and further information please contact
 Bimbo Adejobi Ope-ewe Whatsapp details: +447776454252**

Events

The NSF (UK) 8th Annual Sports Day is taking place on Saturday 24th August 2019. NSF have asked for volunteers so if you can, please lend your support. Our participation is also required in the various sports events taking place on the day, so calling all athletes to dust off your trainers and sweatpants and put Anzea on the map and for the less sporty among us two volunteers are required for the exciting and hilarious **Catching the Train** Activity. It's a family day so lets get our children and dare I say grand children involved in the childrens football teams.

Some of the events will need advance registration so contact our Social Secretary for the details.

Lets paint the stadium purple!! Come out and represent our school. Anzea tee shirts are available in small, medium, large and Xlarge for £10. Please contact the social secretary.

We will not be having our summer BBQ this year but UK Sets Reps please let us know if you have any events that you would like mentioned in the next newsletter.

Eko Boys High School have requested our attendance to their Gala Nite on Saturday the 14th September 2019, tickets are £40. There is also opportunity to advertise in their brochure. For further details please contact our Social Secretary

Memories

Have you got any pictures to add to the school life exhibition?
 Please click on the image or email them to: manuscripts@ssasoga.com

This newsletter is for you!!

As a first edition this is very much a work in progress; if you have any suggestions please share via Whatsapp or email
